Mr. Sanders,

I will be filing an ex parte application with the court on April 15, 2019.

I will be asking the court (1) to have you sign and file sworn affidavit with the court stating that you had an attorney write your past and recent briefs, (2) ask you to identify the attorney who wrote the briefs and (3) have the person who wrote the briefs appear in court on the May 8, 2019 motion hearing and/or re-file the motion briefs with his signature on them

Do you object to the ex parte application? If so, please state why you are objecting so that I can give that information to the court.

Sincerely,

Larnita Pette

Mr. Sanders,

I have not gotten a response either via text or email to my question. In your text this morning, you said that you would read the above email at 2 pm.

Since you haven't indicated that you plan to object to the ex parte application to shorten time to file a motion, I will tell the court that you do not have an objection when I file the ex parte application with the court tomorrow, April 15, 2019.

Sincerely,

Larnita Pette
